INGREDIENT, AND  
NUTRITIONAL  
INFORMATION**

At Guzman y Gomez we are all passionate about the quality of both the food and the experience that all our guests receive during their visit to our restaurants.

We have developed a HACCP (Hazard analysis and critical control points) based food safety program to ensure that both the food safety and the quality of our food both meets and exceeds our guest's expectations. We are committed to the taste, freshness, and overall quality of the GYG product as well as the animal welfare practices that are involved in producing our ingredients that make up the GYG menu.

As we build the GYG group we will remain committed to the safety and quality of our food for both the current menu and the new product innovations that we are continually working on. We will continue to maintain, develop and improve the quality of the GYG food over time, and make use of new and emerging technologies in this pursuit of Quality.

# MINIS NUTRITIONAL INFORMATION

At Guzman y Gomez, we're all about the food. Our kitchens are full of fresh ingredients that are prepared and cooked in-store daily. But the most important part is how good it tastes.

With traditional recipes and authentic Mexican flavours, there's no denying that GYG are keeping it real when it comes to Mexican food.

Nutrition information is based on standard products, average serving size and supplier information, product analysis and government databases.

Information may vary due to supplier, seasonal and product variations. Information current at May 20, 2026.
