1.1 A listed entity should have and disclose a board charter setting out: (a) the respective roles and responsibilities of its board and management; and (b) those matters expressly reserved to the board and those delegated to management.	Yes	The Company Board Charter (Board Charter) is disclosed on the Company's Website and sets out the principles for the operation of the Board and describes the functions of the Board and the functions delegated to management of the Company. 1.2 A listed entity should: (a) undertake appropriate checks before appointing a director or senior executive or putting someone forward for election as a director; and (b) provide security holders with all material information in its possession relevant to a decision on whether or not to elect or re-elect a director.	Yes	Clause 4 of the Charter of the Remuneration and Nomination Committee (RNC Charter) of the Company provides that the RNC shall, amongst other things, oversee remuneration policies, short and long term incentive and equity plans, and the composition and performance of the Board, including the appropriate size, diversity, and criteria for appointment of Directors. Further, the RNC shall, in evaluating current Directors for re-nomination or re-appointment to the Board of Directors, regularly assess the performance of such Directors on their skills, knowledge, and experience to deal with new and emerging business and governance issues. Clause 6 of the RNC provides that the committee will ensure that Shareholders are provided with all material information relevant to a decision on whether or not to elect or re-elect a Director, to be contained in the relevant notice of meeting relating to the election or re-appointment of a particular Director. Further, Clause 6 of the RNC provides that the committee will undertake appropriate checks.

Recommendation	Adopted?	Details
1.3 A listed entity should have a written agreement with each director and senior executive setting out the terms of their appointment.	Yes	Section 6(e) of the Board Charter provides that new Directors are to be provided with a formal letter of appointment to the Board setting out the key terms and conditions of the appointment, together with any other documents that the Company considers relevant to the appointment. The Company confirms that written agreements are in place with each Director and senior executive setting out the terms of their appointment.
1.4 The company secretary of a listed entity should be accountable directly to the board, through the chair, on all matters to do with the proper functioning of the board.	Yes	Section 9(e) of the Board Charter provides that the secretary is accountable to the Board through the Chair on all matters to do with the proper functioning of the Board.
1.5 A listed entity should: (a) have and disclose a diversity policy; (b) through its board or a committee of the board set measurable objectives for achieving gender diversity in the composition of its board, senior executives and workforce generally; and (c) disclose in relation to each reporting period: (1) the measurable objectives set for that period to achieve gender diversity; (2) the entity's progress towards achieving those objectives; and (3) either: (A) the respective proportions of men and women on the board, in senior executive positions and across the whole workforce (including how the entity has defined "senior executive" for these purposes); or (B) if the entity is a "relevant employer" under the Workplace Gender Equality Act, the entity's most recent "Gender Equality Indicators", as defined in and published under that Act. If the entity was in the S&P/ASX 300 Index at the commencement of the reporting period, the measurable objective for achieving gender diversity in the composition of its board should be to have not less than 30% of its directors of each gender within a specified period.	Yes	The Company has a diversity policy which is disclosed on the Company Website (Diversity Policy). The Diversity Policy provides that the Company is responsible for setting and reviewing measurable objectives in relation to gender diversity in the composition of its Board, senior management and workforce generally on an annual basis to identify ways in which the achievement of gender diversity at the Company is measured, and in relation to other aspects of the Diversity Policy. Clause 3(c) of the Diversity Policy provides that the Board has responsibility to: (a) annually set measurable objectives for achieving gender diversity in the composition of its Board, senior management and workforce generally (Objectives) and, where appropriate, other aspects of diversity including in respect of women in leadership, age diversity and cultural diversity; (b) assess annually the Company's progress in achieving the Objectives; and (c) disclose: i. the Objectives set for the relevant reporting period and the Company's progress in achieving the can be found on page 20-23 of the Annual Report; and ii. the Company's Gender Equality Indicators, as defined in the Workplace Gender Equality Act 2012 (Cth) can be found on page 23 of the Company's Annual Report. As GYG was included in the S&P/ASX 200 Index (a subset of the S&P/ASX 300) at the commencement of the FY26 reporting period, the Board's measurable objective is to achieve not less than 30% representation of each gender on the Board by the end of FY27. As at 30 June 2026, females comprised 29% (2 of 7) of the Board. The Board considers this to be materially in line with its objective and continues to monitor Board composition as part of succession planning.
1.6 A listed entity should:	Yes	Section 7(a) of the Board Charter provides that the Board (with the guidance from the Remuneration and Nomination Committee) will regularly review of the performance of: (a) the Board and its committees; and

Recommendation	Adopted?	Details
(a) have and disclose a process for periodically evaluating the performance of the board, its committees and individual directors; and (b) disclose for each reporting period whether a performance evaluation has been undertaken in accordance with that process during or in respect of that period.		(b) each director. The Company confirms that an internal board evaluation has been undertaken for the FY26 period.
1.7 A listed entity should: (a) have and disclose a process for evaluating the performance of its senior executives at least once every reporting period; and (b) disclose for each reporting period whether a performance evaluation has been undertaken in accordance with that process during or in respect of that period.	Yes	Section 7(b) of the Board Charter provides that the Board (with the guidance from the Remuneration and Nomination Committee) will review, at least annually, an assessment to the Board of the performance of the Co-Chief Executive Officers and any other Senior Management against guidelines approved by the Board. The Company confirms that a performance assessment evaluation was undertaken during the reporting period.
PRINCIPLE 2 - STRUCTURE THE BOARD TO BE EFFECTIVE AND ADD VALUE		
2.1 The board of a listed entity should: (a) have a nomination committee which: (1) has at least three members, a majority of whom are independent directors; and (2) is chaired by an independent director, and disclose: (3) the charter of the committee; (4) the members of the committee; and (5) as at the end of each reporting period, the number of times the committee met throughout the period and the individual attendances of the members at those meetings; or (b) if it does not have a nomination committee, disclose that fact and the processes it employs to address board succession issues and to ensure that the board has the appropriate balance of skills, knowledge, experience, independence and diversity to enable it to discharge its duties and responsibilities effectively.	No	The Company has established a Remuneration and Nomination Committee (RNC) comprising of Jacqueline Coombes (Chair), Guy Russo and Tom Cowan. The RNC is governed by the RNC Charter. Clause 2 of the RNC Charter provides that the committee should “to the extent practicable given the size and composition of the Board from time to time” comprise of at least three members, each of which are non-executive Directors and a majority of whom are independent Directors. The Chair of the RNC should be nominated by the Board and must be independent. Ms Coombes is independent and all three members are non-executives. As the committee will not consist of a majority of independent directors, however, (Mr Russo and Mr Cowan not being independent) the Company will not be fully compliant with the recommendations in relation to the composition and operation of the committee. Nonetheless, the Board considers that the composition of the committee is appropriate and that the Board considers that Mr Russo and Mr Cowan each thinks and acts independently in performing their role as a committee member and acts independently of management. GYG will review the committee structure for the FY27 period. The RNC Charter and the members of the RNC are disclosed on the Company’s Website. The Company has disclosed in its 2026 Annual Report the number of times the committee met throughout the period and the individual attendances of members at those meetings, which can be found on page 69 of the 2026 Annual Report.
2.2 A listed entity should have and disclose a board skills matrix setting out the mix of skills that the board currently has or is looking to achieve in its membership.	Yes	A Board Skills Matrix has been developed and is regularly reviewed by the Board to ensure it has an appropriate mix of skills, experience and diversity to conduct its operations in an effective manner. A copy can be found on page 68 of the 2026 Annual Report.

Recommendation	Adopted?	Details																
		Section 6 of the Board Charter provides that the Board will have an appropriate mix of skills, experience, expertise and diversity relevant to the Company’s business and that the Board will regularly assess the independence of all Directors.																
2.3 A listed entity should disclose: (a) the names of the directors considered by the board to be independent directors; (b) if a director has an interest, position, affiliation or relationship of the type described in Box 2.3 but the board is of the opinion that it does not compromise the independence of the director, the nature of the interest, position or relationship in question and an explanation of why the board is of that opinion; and (c) the length of service of each director.	Yes	The Company will disclose: (a) the names of the Directors considered by the Board to be independent Directors (at the date of listing being, Jacqueline Coombes, Marina Joanou and Ian Rowden); (b) if a Director has an interest, position or relationship which may be perceived to compromise the independence of the Director, the nature of the interest, position or relationship in question and an explanation of why the Board is of that opinion; and (c) the length of service of each Director. The Board considers that each of Jacqueline Coombes, Marina Joanou and Ian Rowden are free from any interest, position, association or relationship that might influence, or reasonably be perceived to influence, the independent exercise of the Director’s judgement and that each of them is able to fulfil the role of independent Director for the purpose of the ASX Recommendations. Guy Russo (Chair of the Board) has been a director of the Company for approximately 12 years and is a substantial Shareholder of the Company. Given the length of time that Mr Russo has been a director of the Company and having regard to him having been a substantial Shareholder, the Board considers it appropriate not to treat Mr Russo as independent. Additionally, Steven Marks and Hilton Brett are each an Executive Director and are therefore not considered to be independent. Tom Cowan is also considered by the Board not to be independent because he is a Board representative of TDM, which is a substantial Shareholder. Each director’s length of service is disclosed below: <table><tr><th>Director</th><th>Tenure</th></tr><tr><td>Gaetano Russo</td><td>12 Years, 1 Month</td></tr><tr><td>Steven Marks</td><td>19 Years, 2 Months</td></tr><tr><td>Hilton Brett</td><td>8 Years</td></tr><tr><td>Thomas Cowan</td><td>8 Years</td></tr><tr><td>Jacqueline Coombes</td><td>6 Years, 1 Month</td></tr><tr><td>Marina Joanou</td><td>3 Years, 5 Months</td></tr><tr><td>Ian Rowden</td><td>2 Years, 4 Months</td></tr></table>	Director	Tenure	Gaetano Russo	12 Years, 1 Month	Steven Marks	19 Years, 2 Months	Hilton Brett	8 Years	Thomas Cowan	8 Years	Jacqueline Coombes	6 Years, 1 Month	Marina Joanou	3 Years, 5 Months	Ian Rowden	2 Years, 4 Months

Recommendation	Adopted?	Details
2.4 A majority of the board of a listed entity should be independent directors.	No	At the start of the 2026 financial year (being 1 July 2025), the Board consisted of three independent Directors, and four non-independent Directors and therefore, does not have a majority of independent Directors as recommended in recommendation 2.4 of the ASX Recommendations. The Board considers that the composition of the Board is appropriate in light of the following factors: • the adoption of a co-CEO model for GYG (which means that having each Co-CEO on the Board is appropriate); • the considerable experience and contribution to GYG and its strategic goals of Mr Cowan (who the Board considers thinks and acts independently in performing his role as a non-executive Director and acts independently of management); • the significant shareholding TDM has (which makes it appropriate for it to have a nominee on the Board); and • the considerable experience and contribution to GYG and its strategic goals of Mr Russo. All the Directors believe that they will be able to, individually and collectively, analyse the issues before them objectively and in the best interests of Shareholders and in accordance with their duties as Directors. To address the composition of the Board, the Board appointed 2 additional independent non-executive Directors on 20 August 2026.
2.5 The chair of the board of a listed entity should be an independent director and, in particular, should not be the same person as the CEO of the entity.	No	Contrary to recommendation 2.5 of the ASX Recommendations, the chair of the Company is not considered to be an independent director. The Board considers that this is appropriate in the circumstances having regard to the very considerable and sector-relevant experience that Mr Russo brings to the Board and the Board considers that Mr Russo thinks and acts independently in performing his role as chair and acts independently of management. On that basis, the Board considers that notwithstanding the recommendation, having regard to the above and the reasons why it has chosen not to designate Mr Russo as independent, it is in the best interests of GYG for Mr Russo to act as the Company's chair. Mr Russo is not the CEO of the Company.
2.6 A listed entity should have a program for inducting new directors and for periodically reviewing whether there is a need for existing directors to undertake professional development to maintain the skills and knowledge needed to perform their role as directors effectively.	Yes	Section 9(f) of the Board Charter provides that the company secretary together with the guidance of the Remuneration and Nomination Committee, and the assistance of the Board, is responsible for the induction of new Directors and facilitating ongoing professional development training for Directors. All new directors are supported during their onboarding by the Board and the Company Secretary where required. The Company Secretary supports the ongoing developments in laws and regulations relevant to the Company to assist Directors with discharging their responsibilities.

The Code of Conduct applies to the Company, its subsidiaries and affiliates, employees, directors, officers, consultants and contractors. The Code of Conduct acknowledges that individuals within the scope of the Code of Conduct are encouraged to discuss or raise their concerns with a member of management or report any conduct which may be considered unethical or improper via the 'Tell Us Hotline'.

4.2 The board of a listed entity should, before it approves the entity's financial statements for a financial period, receive from its CEO and CFO a declaration that, in their opinion, the financial records of the entity have been properly maintained and that the financial statements comply with the appropriate accounting standards and give a true and fair view of the financial position and performance of the entity and that the opinion has been formed on the basis of a sound system of risk management and internal control which is operating effectively. The Board is committed to providing clear, concise and effective disclosure to its' security holders and other stakeholders in its corporate reports.
